HENDERSONS' LOOM.

PERSONS WISHING TO PURCHASE A GOOD PRACTICAL HAND

LOOM, SHOULD INVESTIGATE THE MERITS OF

HENDERSONS' LOOM.

THIS LOOM treads the Treadles, throws This LOOM treads the Treadles, throws the Shuttle, lets off the Web, and takes up the Cloth by simply moving the batton hack and forth. It weaves Jeans, Blankets, Tweeds, Satinet, Kersey, Plain Cloth, Toweling, Birdeye-Diaper, Carpets, &c. &c. The weaver has only to change the Pins in the Treadle Wheel to make the different kinds of Cloth. By an arrangement of the machinery of this Loom, that no other has, the weaver can make as much or as little of the weaver can make as much or as little of the Shed when the Batton is coming forward

the Shed when the Batton is coming forward as is required, completing the Shed as the Batton goes back; or, it can all be made as the Batton comes forward, for the purpose of weaving Woolen Warp that clings.

By this arrangement, the Filling is always beat up after the Cross is made, Making better Cloth and better Selvage than can be made by the open Shed, because, it prevents the Filling from being drawn out at the edge towards the shuttle after it is beat up.

These looms are made of the best black walnut lumber, got up in the best of atyle and oil finished. They are furnished with 1,250 of the best Wire Heddles, one Steel Reed, any hundred desired; one Wheel Shuttle of the best manufacture, twelve Bobbins, Temples, Rathe, &c., all complete, ready for Temples, Rathe, &c., all complete, ready for weaving. They are made to weave 40 inches

Persons wishing these looms, in the counties of Gallia, Jackson, Vinton, Ross and Lawrence, can be accommodated by sending their orders to me. Warranted to perform as recommended. Can be seen at Fenner's
